

Inspiration

For the Mystical Journey with Christ

January 2012

Come join us this Saturday night, January 28th from 6:30 p.m. to 9:00 p.m. in the Church of the Holy Quest, for a special presentation:

A Multi-Media, Multi-Dimensional, Multi-Experiential program—

Sacred Geometry

by

New Zealand Artist and Cosmologist,
Jonathan Quintin

Take an interdimensional journey through the inner workings of nature and experience the profound order and sublime beauty that exists on the archetypal planes. Sacred geometry is the morphogenic structure behind reality. It demonstrates the laws of creation through geometric shapes, forms and patterns.

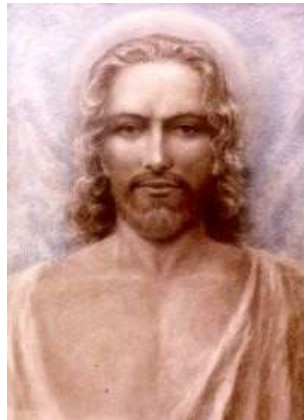

Introducing a Special Guest Speaker for Sunday, February 19:

Julie Hilt discovered the Reverend Flower A. Newhouse through the work of Edgar Cayce. At the time, Julie served as West Coast Director for the Association for Research and Enlightenment (A.R.E), the organization founded by Edgar Cayce in 1931. Although a lifelong student of metaphysics, Julie always felt something was missing in her spiritual quest. It was not until Flower introduced her to the Christ and made Him

come alive that Julie finally found what she had unknowingly been searching for...the living Christ. Julie is the Executive Director of the Solano County Bar Association, and also serves as President of the Board for Unity of the Valley Spiritual Center in Vacaville.

Like the Reverend Flower A Newhouse, Edgar Cayce left us a fine body of work from which to draw direction, inspiration, and strength towards our goal of ever deepening character. Flower Newhouse and Edgar Cayce taught that character and consciousness are the only things we take with us when we leave this plane of existence. A deeper understanding of Edgar Cayce and the parallels between his work and the work of the Reverend Flower A. Newhouse will undoubtedly enrich the mind and illumine the soul.

The Call of Christ in a New Year

by
The Reverend Hal Lingerman

Lord of Light, completed Christ of Earth,
You are always knocking patiently at our door.

You wait for us to open ourselves and step into your luminous company,
a kingdom already available in our midst, a possibility waiting:
the banquet of sacred unity, joyful and endlessly filling.

So lovingly and triumphantly, You have prepared everything for us!
Your wise and caring heart inspires us with outpouring Grace
to move more deeply into Presence and live in Holy Space.

Your Spirit reveals sudden shafts of shining Light

and higher, holy heights of Radiance so bright,
where completed souls and Angel legions from unknown regions
would help us break our chains of ignorance and self-inflicted pain.

Your words to each of us resound:

“Abide in Me, and I in you....” Now is the appointed time!

Release the lesser for the greater.

In your freedom follow the golden thread and find your sacred liberation.

Your open door leading into Spirit realms and mysteries reminds us
of our own destined gateway, too long forgotten:
the clear path of love and caring service to all lives -
so challenging and surprising, but always inspiring and unending.

You lead us out of darkness, through new pinhole prisms
and expanding portals, to reveal a Holy Splendor:
the fiery mysteries of our soul's unclaimed calling.

All around You, sing the golden worlds - watchful eyes of paradise,
are looking through all deception and disguise,
and each new sacrifice for love we give, awakens Your delight.

Heaven is the movement of a community in Spirit:
One sows, and another reaps,
so that both sower and reaper together might rejoice.

Each gift, to You, O Christ, freely given,
stirs God's Grace and opens doors to heaven.

May God's Kingdom come and Will be done on Earth,
when our hearts transformed by Love find rebirth.

Revealer of the Holy One, we hear You knocking, Precious Lord.
Varied and colorfully diverse, we step together through Your open door.

Uniting in You now, this new year, we follow on our journey in sacred
Mystery, O Christ.

And with Your shepherding love, You gather us and call us home.
